

*Small Contribution  
Major Impact*

Invest in the future of the Sandhills with the  
**SEEDS OF CHANGE** sponsorship!

It's simple!

- CHOOSE a product from your line that's locally made, sustainably sourced or Earth-themed. Or, create a special product just for Sustainable Sandhills.
- SELL that product during the month of April.
- DONATE 10% of the sales of that product to Sustainable Sandhills.

FOR EVERY DONATION, SUSTAINABLE SANDHILLS WILL GIVE YOUR BUSINESS ...

- a 10x10' space at the Earth Day is Every Day Festival, part of The Fayetteville Dogwood Festival, on April 25 and 26, 2026.
- a weekly, dedicated post on our Facebook and Instagram sites (over 5,000 followers) featuring your product and business profile.
- a shout-out email (over 1,500 subscribers).
- a business profile on the Partners page of our website.

Make an even greater impact by choosing multiple products or a higher donation percentage.

THANK YOU for your support towards our mission to empower communities to create resilient environmental, economic and social resources - today, tomorrow and forever!
